Making holidays accessible

2025 EDITION

## Foreword

---

Welcome to the Funtastic Breaks Brochure for 2025. Many of you will know me and have holidayed with me before. For those who don't, I am Phil Tolley and have been running supported trips for the last 12 years. I am a qualified counsellor and have spent over 25 years working in hospital and community settings.

We are a supported holiday company for adults with mild/moderate learning disabilities. We will help you choose a suitable holiday, pick you up from home, help you with your medication and monies if needed, take you to new places, help you with all activities and make sure you have a wonderful time before dropping you home. All staff are DBS checked, First Aid and medication trained.

Each trip will have at least two staff members per trip. All customers will receive a Funtastic T-shirt, cap and photos at the end of each trip, all at no extra charge.

Please look through the brochure and see what you may be interested in, then feel free to contact me by phone, email or directly by leaving your details on the website.

I wish you happy holidays wherever you go in the coming year.
